After school activity packing list

Remember activity-specific equipment before leaving.

Three steps

1. Check activity instructions
2. List essentials
3. Confirm before leaving

A worked example

Activity	Sports
Needed item	Water bottle
Packed	No
Reminder	By door

Place the bottle by the door before departure.

Keep belongings appropriate and safe.

After school activity packing list

Use one row per item or decision. Start with what you know.

Activity	Needed item	Packed	Reminder
