Shared household chore agreement

Agree realistic chores rather than assuming someone else will do them.

Three steps

1. Discuss realistic workloads
2. Agree who does what
3. Review regularly

A worked example

Task	Trash
Responsible person	Adult A
Frequency	Collection day
Backup	Adult B

A named owner makes the plan clear.

Keep assignments age-appropriate.

Shared household chore agreement

Use one row per item or decision. Start with what you know.
