Homework start and finish plan

Break homework into realistic steps with a clear stopping point.

Three steps

1. Check assigned work
2. Choose a short focus block
3. Review what remains

A worked example

Task	Reading
First step	Open assigned chapter
Time block	15 min
Done	No

Opening the correct chapter is a small first step.

Adapt to the learner and teacher guidance.

Homework start and finish plan

Use one row per item or decision. Start with what you know.

Task	First step	Time block	Done
