Moving packing order planner

Pack rarely used items first while keeping essentials accessible.

Three steps

1. List rarely used items
2. Schedule essentials last
3. Mark first-night items

A worked example

Item group	Books
Pack date	Nov 28
Box	L01
Keep until	None

Books can be packed before daily essentials.

Keep medication and documents accessible.

Moving packing order planner

Use one row per item or decision. Start with what you know.

Item group	Pack date	Box	Keep until
